LIDER
TRAILER & AXLE

EXPERIENCE OF AXLE SUCCESS OF TRAILER

"LIDER 1453" company started production of fixed, rotary axle and axle equipment under "Lider Trailer" brand. Having a deep experience in the production of vehicle equipment, Lider Trailer has established the "Lider 1453" brand by adding this experience to the production of fixed and rotary axles. In the production of charger, Flatbed, Lowbed, Bulk cement, tipper and Tank in the name of the projects he has made, "Lider Trailer" projects use its own brand Lider 1453 brand axle.

The Lider, who won the customer's great enthusiasm, started to gain a large share in the Lider 1453 axle market as well. As a semi-finished product and a full product, it is proceeding to be a name of quality in the axle market. The axles that have been exporting to many countries, especially to Europe, are turning around all over the world with great confidence. Lider 1453 exports products to customers in close to 60 countries around the world. 'the axle according to the customer and the country' with the slogan of the Lider 1453; we produce axles according to customer demand and usage area. Currently, a total of 10 axles on a single vehicle which has 6 steering 4 fixed; It is the best until Lider 1453 product the better one ...
